BEST AVAILABLE COPY

**Instructions to Reviewers:**

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

**Instructions for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from the filing date unless the application becomes the subject of a secrecy order.

This application is recommended for 18 months from the date of filing. The 18-month period is the minimum period of protection that will be granted by the Department of Defense. It is recommended that the applicant file a patent application in a foreign country within 6 months from the filing date of this application. The 18-month period is the minimum period of protection that will be granted by the Department of Defense. It is recommended that the applicant file a patent application in a foreign country within 6 months from the filing date of this application.
